

REMARKS

Applicant appreciates the comments of the Examiner in the Final Office Action of March 9, 2010, indicating that the claims would be allowed if we addressed certain minor issues under the second paragraph of 35 U.S.C. §112.

Applicant has, accordingly, amended the claims and has provided a minor further definition of the data of facilities in independent Claims 1 and 4, consistent with independent Claim 7.

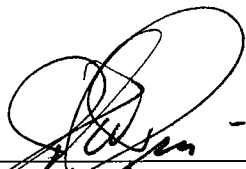

It is believed that these amendments do not add any new matter or limitation, but provide a more consistent definition of the claimed subject matter.

It is believed that the case is now in condition for allowance and an early notification is requested.

If the Examiner believes a telephone interview will assist in the prosecution of this matter, the undersigned attorney can be contacted at the listed phone number.

Very truly yours,

SNELL & WILMER L.L.P.
